**PETITIONING THE COURT**

- ☐ To extend the term of supervision for \_\_\_\_\_ years, for a total term of \_\_\_\_\_ years.  
☒ To modify the conditions of supervision as follows:

The defendant shall submit to a search conducted by a United States Probation Officer of your person, residence, vehicle, office, and /or business at a reasonable time and in a reasonable manner, based upon reasonable suspicion of contraband or evidence of a violation or a condition of release. Failure to submit to a search may be grounds for revocation. You shall not reside at any location without having first advised other residents that the premises may be subject to searches pursuant to this condition. Additionally, you shall obtain written verification from other residents that said residents acknowledge the existence of this condition and that their failure to cooperate could result in revocation. This acknowledgment shall be provided to the U.S. Probation Officer immediately upon taking residency.

**CAUSE**

The defendant is still determined to predict the end of the world and he seems to continue to blame that on the U.S. Government to include the Federal Court; however at this point there has been no evidence that the defendant is advocating the violence he once did. The defendant is sending a publication to the congregation of the Global Church of Yaweh as the Pastor, as has given his Probation Officer permission to search his residential office at any time. The defendant is accepting donations as the Church Pastor and he has agreed to list all donations of any type that he receives. The defendant will be seventy-six (76) years old this year and is scheduled for hernia surgery in two weeks and will follow that by hip replacement. He therefore will be unemployable during his supervision term. The modifications will aid the probation office in their efforts to supervise the defendant.
